

I. Baseball Entry Center

The process to rank (seed) teams is a two-step process. It involves each school listing your roster information and schedule and game result information (step #1) and then the actual ranking or seeding of the teams within your regional (step #2). Schools can list their regional roster and their schedule and game results starting immediately. To begin step #1, follow these instructions:

- A. Click the red "Member Login" button located on the homepage of the IESA website.
- B. Select your school from the drop-down menu and enter the password provided to your school. Click on the button that says "Click here to log in"

Choose your school and enter your password to log in.

The following penalty is in effect for schools that fail to submit their online record/seeding information by the posted deadlines in boys' baseball:

- First Offense: School will be on probation.
- Second Consecutive Offense: School will be able to participate in the state series of the current year, but will not be able to participate in the state series the following year unless the school pays a \$250 fee for reinstatement to the state series.

Administrators and directors log in here.

User IDs are no longer needed - choose your school by common name (city first), ex. Normal Parkside.

Instructions here. 1000 character limit.

We had a young team with three 6th graders starting. At the beginning of the season it took us some time to come together especially on the road. About midway through the season things started to click and we were able to play with more consistency.

Information for remaining teams in the regional will be listed below under each school heading.

Print this web page with all the participating team information and have it in front of you when you seed.

Factors to consider in seeding:

- Season Record
- Quality of Team's competition
- Smaller Schools Competing Against Larger Schools (1A schools vs. 2A schools)
- Head to Head competition
- Record Against Common Opponents
- Roster of Post-Season Team

C. Rank all teams by clicking on the number next to their name. This will send the team to the right side of the page under **Ranked Regional Teams**.

- You will not be able to rank your school.
- You can rank and un-rank until the ranking period officially closes.
- Assign the #1 rank to the "best" team in the regional, the #2 rank to the 2nd best team, #3 rank to the 3rd best team, etc.

MAKE SURE YOU RANK ALL TEAMS IN YOUR REGIONAL. AS A REMINDER, EACH SCHOOL IN THE REGIONAL WILL BE ABLE TO SEE THE RANKING YOU GAVE TO EACH SCHOOL. YOU ARE EXPECTED TO SEED THE TEAMS AS FAIRLY AS POSSIBLE.

Following the online closing of this ranking step, the IESA office will confirm all seeding on Friday, 9/7/18. Regional brackets will be posted on the IESA website. Each school can view the brackets by clicking on the regional assignments and then on the bracket for each regional.
