

State Program DATA/Photo Instructions

RECOMMENDATION: The IESA highly recommends that each team participating in the state tournament take a picture at the beginning of the season so as not to rush the process during regional tournament play.

EXAMPLE

IMPORTANT PICTURE INSTRUCTIONS

You have two choices in submitting the picture. **Either Option should be submitted immediately after winning the regional championship.**

A. Mail Option: 5x7 photo with cut lines to the IESA office.

B. Electronic Option: Submit electronically through activity Entry Center link. Follow the directions below.

1. Digital Photographs: This is the option that we prefer.
 - Preferably select a resolution of 150 dpi.
 - Take the photo in a well-lit area (no shadows).
 - Fill the entire frame (get as close to the team as possible).
2. On your computer, save the file with a .JPG extension.
3. Log in to your school's IESA Member Center.
 - On the activity Entry Center menu, click on Team Photo and Cutlines (link appears for all regional champs).
 - Click the Browse button to locate and select your photo on your computer and hit UPLOAD.
 - Enter your cut lines, Front Row to Back Row, left to right.
 - Click the UPLOAD button again to save your cut lines.
