

BOWLING SECTIONAL COMPETITION SCHEDULE

April 6, 2019

LINEAGE FEES ARE DUE UPON CHECK-IN AT SECTIONALS.

- Schools that fail to provide payment upon check-in will not be permitted to participate.
- For all sites, sectional lineage fees must be submitted in cash or a school-issued check made payable directly to the sectional bowling center.
- Personal checks will not be accepted by the sectional hosts.

Efforts will be made to equally distribute schools to sectional sites but the number of students/teams from one site to the next may vary.

1. Students bowl 3 games at sectionals.
2. A team is defined as a school having 4 students registered in a given division. An individual is defined as a student from a school that has registered 1, 2 or 3 bowlers in a given division.
3. Each sectional site will hold a coaches' meeting prior to warm-ups. Warm-ups will last 10 minutes and be immediately prior to Game 1 starting. The final schedule will be posted by March 1.
4. If a site needs to bowl the sectional in two shifts because of the number of lanes available, the sectional site will determine which schools will bowl in each shift.
5. Each site will advance the top 6 boys' teams, the top 6 girls' teams, the top 12 individual boys not associated with an advancing team and the top 12 individual girls not associated with an advancing team.

6 boys' teams = 24 students (4 per team)

6 girls' teams = 24 students (4 per team)

12 individual boys

+ 12 individual girls _____

72 students advance per site x 4 sites = 288 students @ state
