## Details for Meet Day

1. All competitors must weigh in and make the weight at which they qualified. If a wrestler fails to make the required weight, he can **NOT** move up to the next weight class and must be scratched. In cases where a wrestler fails to make weight, the other wrestlers from that regional shall be advanced in brackets if possible. For example, the 2<sup>nd</sup> place wrestler from an even numbered regional does not make weight and has to scratch. The 3<sup>rd</sup> place wrestler from that regional moves to the 2<sup>nd</sup> place slot and the 4<sup>th</sup> place wrestler moves to the 3<sup>rd</sup> place slot. A criteria has been established to use a replacement wrestler at the sectional if a wrestler who has qualified for the sectional fails to make weight: The first alternate shall be the wrestler who won the most matches in the regional championship bracket but failed to qualify as a place winner. Should more than one (1) meet the alternate criterion then the one who was defeated by the highest place winner shall qualify as the alternate and advance to the sectional if a replacement is needed. *Should a wrestler need to scratch during sectional week for injury, illness, or ineligibility, it shall be the responsibility of the principal or coach of the wrestler who is scratching to notify the IESA Office that an alternate may be necessary. The IESA office will then contact the alternate's principal or coach that he will replace the regular qualifier. Scratches of wrestlers advancing to the sectional must be reported by 4:00 p.m. on the Thursday prior to the sectional in order for the alternate to advance. Scratches reported after 4:00 p.m. on that Thursday will not be replaced.* If a replacement is not available the day of the meet after advancing the contestants as described above, the even numbered regional 4<sup>th</sup> place slot would be open meaning the 1<sup>st</sup> place wrestler from the odd numbered regional would draw a bye.
2. Please see By-Laws 4.054 on replacements for illness, injury, or scholastic ineligibility. They are also listed in the current Wrestling Terms & Conditions.
3. Have a mat official check hair and fingernails of all contestants at weigh-ins.
4. Call coaches together for final scratches.
5. At the recommendation of the wrestling advisory committee and approved by the IESA Board of Directors, weigh-ins at the state series may be conducted by team rather than by weight class. This is necessary due to the travel that is involved with some regionals making weight class weigh-in a logistical problem for some regional contest managers.
6. **PLEASE REMEMBER THAT THIS IS AN IESA STATE SERIES ACTIVITY AND THAT YOU MUST CONDUCT THIS SECTIONAL WITH TOTAL IMPARTIALITY. PLEASE DO NOT RECOGNIZE ANY TEAM MEMBERS, OR DO SOME OF THE THINGS THAT YOU MAY ORDINARILY DO FOR A REGULAR SEASON MEET (SPECIAL INTRODUCTIONS OF YOUR SQUAD MEMBERS, FLASHING LIGHTS, SMOKE, ETC.) THANK YOU FOR YOUR COOPERATION TO HELP US CREATE AS EQUITABLE A SETTING AS POSSIBLE.**

## Finances

1. Sectional financial report form is included.

## T-Shirt Sales

Merchandise pertaining to IESA Wrestling will be sold at your site. This has been approved and mandated by the IESA Board of Directors. The only merchandise that will be shipped to your site is t-shirts. A reconciliation form will also be sent so that you can accurately report sales, money collected, etc. A sample of that form is included. This is only a sample. The official form will come with the T-shirts.

The company that will sell the merchandise is The Cubby Hole--the same company that sells at all of our state finals. The Cubby Hole will either personally attend and sell the merchandise at your site, or they will ship the merchandise to you and you will need to sell the merchandise at your contest. Either way, you will receive a percentage of the sales. The Cubby Hole will contact you and make all of the necessary arrangements. T-shirts must be sold for \$16.00 each.

6. Video-taping will be permitted but will never be used in any official capacity.
7. No athletic uniforms or warm-ups may show any commercial or non-school advertising other than the manufacturer's.

Weight classes shall be as follows: 65, 70, 75, 80, 85, 90, 95, 100, 105, 112, 119, 126, 135, 145, 155, 167, 185, 215, and 275. [4-4-1]

Wrestling singlets must conform to rule 4-1-1. "Universal" style singlets are prohibited. [4-1-1]

Weigh-in time period may begin two and one-half hours prior to the beginning of a meet. [4-5-3]

Weigh-ins shall be conducted with competitors wearing underwear or an athletic supporter. [4-5-6]

The following time limits shall apply to all state series matches and are recommended for regular season dates and tournaments:

### Regular match, Championship Bracket, Consolation and Wrestlebacks [6-1-1]

(1) First period-one minute

(2) Second and third periods--one and one-half minutes

### Overtime

In regular season and tournament competition, the overtime period shall be conducted as follows:

If the score is tied at the end of the three periods, the wrestlers will wrestle an overtime period which will be a maximum of one minute in length. Both wrestlers will be in the neutral position. The wrestler who scores the first point(s) will be declared the winner. If no winner is declared by the end of the 1 minute overtime period, a 30 second tiebreaker will be wrestled. Choice for position is given to the wrestler who scores the first point in the regulation match. The wrestler who scores the first point in the tiebreaker will be declared the winner. If no scoring occurs in 30 seconds the offensive wrestler will be declared the winner and one match point is added to the offensive wrestler's score. Of course, if the points earned in the overtime period or tiebreaker involve a takedown or reversal straight to the back, the match shall continue until the near fall or fall situation has concluded. [6-1-7]

Four places shall be scored at sectionals and six at the state final meet. [9-2]

Weigh-ins for the state series may be conducted as a team as opposed to weight class. [4-5-3]

## **Advancement to State Meet**

1. The winners of first, second, and third places in each weight class in a sectional meet are eligible to be entered by their respective schools at the state meet.
2. The IESA Office must be notified of any wrestlers who qualify for the state meet who will be scratched from the state meet as soon as possible after the sectional so replacements may be contacted.

## Team Scoring

First place--14 points

Second place--10 points

Third place--7 points

Fourth place--4 points

Advancement in all championship bracket matches--2 points

Advancement in all consolation bracket matches--1 point

Fall, disqualification, default, or forfeit--2 points

Technical fall--1½ points

Major decision (Winning by 8 to 14 points)--1 point

When a wrestler receives a bye and wins his next match, advancement and match points are doubled. Example: Smith receives bye in preliminary round and pins opponent in quarterfinals. For this he receives a total of eight points, four for advancement and four for fall. This is a doubling of normal points. If Smith does not win his quarterfinal match, he receives no advancement points for the preliminary or quarterfinal rounds. Winning in a **placing** match is **not** an advancement. See the enclosed scoring sheet for Byes and Bonus Points.

## Awards

1. A plaque shall be awarded to the first and second place teams. All schools shall be eligible for the sectional team award.
2. **Medals will be given to the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place finisher in each weight class. A ribbon will be presented to the fourth place winner in each weight division. A bracket board shall also be given to each weight class winner. Unused awards should be returned to the IESA Office as soon as possible.**
