

REINSTEIN QUIZBOWL

Reinstein QuizBowl's mission is to provide outstanding Scholastic Bowl questions to Illinois teams. We are the question provider for the IESA State Tournament, and we offer questions for regular season matches and practices. In our first year, average IESA Tournament scores increased from 191-107 using another question source to 264-149 using our questions. Order questions by going to reinsteinquizbowl.com or emailing reinsteind@yahoo.com.

New for 2023-24:

- Online ordering system (starting in September)
- Online tracking of which teams should play which rounds
- More questions—20 regular season rounds instead of 15
- Order last year's state series for practice and study
- More straightforward math
- Better screening for family-oriented pop culture

Unchanged for 2023-24:

- High quality questions accessible for middle school students
- Same prices as last year
