

REGISTERING FOR IESA TEXT ALERTS

In order to expedite the process of communicating, coaches/school representatives have the option to sign up for text alerts. There is no cost for this service from IESA, but standard text messaging rates will apply. Signing up is fast and easy! Contact IESA if you have additional questions regarding how to sign up for IESA text alerts.

Step 1: Log in to your school's entry center and click the link (circled below) that says "REGISTER FOR TEXT ALERTS" and choose "Add Recipient."

The screenshot shows the IESA Member Center interface for Bloomington JHS. The navigation bar includes links for home, news, site map, and contact. Below the navigation bar, there are tabs for Sports & Activities, MEMBER LOGIN, ACTIVITIES, CITIZENSHIP, INFORMATION, and ADMINISTRATION. The main content area is titled 'IESA MEMBER CENTER' and includes a 'Menu' for Bloomington JHS with a 'Log Out' button. A navigation bar contains links for Activity Tracker, Registration & Entry Center, Logins, Information, Email Center, and Officials Search. A user session expires at 2:12:48 PM.
