The IESA Bowling Advisory Committee, in its meeting of March 27, 2012, make the following recommendations to the Board of Directors for their April 13th meeting:

*To make the following changes/additions to the Terms and Conditions

1. Addition of team awards for the competition. First, second, and third place team trophies will be given in the boys and girls division.
 - All schools will be eligible for team awards. The total cumulative pinfall through the entire tournament will be counted for each school participating in the boys and girls divisions. In the event that a school has more than four boys or four girls, they must designate prior to the tournament which four competitor's scores will be eligible to be counted for the team awards.

2. Time Schedule
