The IESA Scholastic Bowl Advisory Committee, in its Zoom meeting on **June 2, 2022** makes the following recommendations to the Board of Directors for their **June 17, 2022** meeting:

Recommendation #1

Current: The scholastic bowl administrator hires two moderators for sectionals.

Proposed: Sectional Hosts hire the scholastic bowl sectional moderators.

Rationale: The scholastic bowl administrator works off a small moderator availability list to hire sectional moderators. The host school finds most moderators hired for the sectional due to the scholastic bowl administrator having difficulty finding moderators.
