The IESA Bowling Advisory Committee makes the following recommendations to the IESA Board of Directors for its June 6, 2024 meeting:

Recommendation #1

Proposed: Bowl four games at Sectional.

Current: Bowlers will bowl three games at Sectional.

Rationale: Bowling four games at Sectionals will mimic the Friday State Finals schedule where bowlers bowl four games. Bowling four games will make sure the best bowlers and teams advance from each sectional. The post-season consistency will help bowlers as they advance from sectionals to state.
