The Association has adopted a "mercy" rule in regular season contests and tournaments only. The mercy rule will not be used in the IESA state series. [5-5-3 note]

The following guidelines for the administration of the mercy rule shall be used:

- i. A running clock shall be utilized during the fourth quarter in contests with a 30 point differential in score.
- ii. Once the clock begins running continuously because of the point differential, it is to remain running for the rest of the contest, even if the point differential drops under the 30 point barrier during the fourth quarter.
- iii. If a contest should begin its fourth quarter with a 30 point differential in score or greater, the entire fourth quarter will be played with a running clock. The running clock shall not be used prior to the fourth quarter of any contest.
- iv. If, while using the running clock because of the point differential and the trailing team somehow tied the contest at the end of regulation, any and all subsequent overtime periods would be played using the continuous clock.
- v. The running clock would only be stopped once it starts for the following:
 1. A team timeout,
 2. To replace a disqualified player,
 3. To administer a technical foul,
 4. To attend to an injured player,
 5. Any other situation of concern to an official.

It is recommended a safe area be in place for all state tournament series contests as determined by the local and game management. [1-2-1]

Schools designated as the home team shall wear a white uniform. [3-4-6-note]

A pre-game meeting with officials, head coaches, and captains is required to take place prior to all contests between member schools. [2-4-5]
