I. SCHOOL CLASSIFICATION

The classification of each school participating in the 2018-2019 IESA Basketball State Tournament Series will be determined by enrollment. Seventh and eighth grade enrollment from the previous school year as reported to the IESA by the member school through the IESA Member Center shall determine the classification of each school after a tabulation of entries in each sport. Basketball will be split into four equal classes each containing 25% of the participating schools. Each of the state tournaments is organized separately by geographical areas, so there could be different schools in your regional tournaments in each grade (i.e., 7-1A and 8-1A).

III. ENTRIES AND ENTRY FEES

A. Regional Entry Form

In basketball, principals of competing schools must complete a copy of the Regional Entry Form using the online form that is available on the IESA website (www.iesa.org). Once the form has been completed, by clicking on the words "Update Entries", the information is automatically available to the regional host and to the IESA Office. The basketball regional entries are due by the posted Online Roster and Record Deadline.

Teams shall be ruled ineligible to compete in any tournament series contest unless the Regional Entry Form has been completed. The Regional Entry Form shall be used to list up to 15 certified contestants for state tournament series play. Only those individuals listed on the Regional Entry Form are allowed to sit on the team bench during state series play.

The following penalty is in effect for schools that fail to submit their online roster, record, and seeding information by the posted deadlines in boys and girls basketball:

- a. First offense: School will be placed on probation.
- b. Second consecutive offense: School will be able to participate in the state series of the current year but will not be able to participate in the state series the following year unless the school pays a \$250 fee for reinstatement to the state series.

Schools may make changes to the Regional Entry Form anytime up until the Rosters Closed deadline. Prior to that deadline, schools may make changes by going online, updating the form, and clicking on "Update Entries". After the Rosters Closed deadline, no changes will be permitted to the Regional Entry Form. Please check the dates for the Rosters Closed deadline listed on the calendar.

It is the ultimate responsibility of all competing teams for all athletic activities to insure that each participant listed on the Regional Entry Form is eligible. Regional hosts for all athletic activities are also required to check each contestant on the Regional Entry Form.

B. Entry Fees

The entry fee is \$55 per team. The entry deadline for girls' and boys' basketball was [June 4, 2018](#).

The final entry deadline for girls' basketball was Aug. 1. The final entry deadline for boys' basketball was Sept. 1.

Late entry fees are doubled. Late entry fees will be waived for schools designated as new members or for current member schools entering an activity for the first time which petition to participate in an activity after the initial entry deadline.

Entry fees will be refunded only upon request prior to the initial entry deadline.

The penalty fee assessed to a school which does not participate in an athletic activity for which it is registered without notifying the IESA Office or withdraws from the state series after the seeding meeting/online ranking deadline for a given activity shall pay a \$50.00 penalty, the cost of the officials for the contest which they forfeited, that school's share for one contest for any deficit, and any other penalties (including monetary) as deemed appropriate by the Executive Director. The \$50.00 penalty fee shall be paid directly to the host school.

IV. ELIGIBILITY

To enter any of the tournaments a girl/boy must be eligible under all of the eligibility rules and conditions of the IESA.

A. Participation

No student is eligible to participate at the same academic grade level for two different school years in the same sport. This is true whether the student attended a member or a non-member school. Participation in one interscholastic contest in a sport constitutes one season of eligibility in that sport.

No student shall be a member of an interscholastic team using ninth grade or high school students.

Athletic activities designated as seventh grade shall consist of contestants in grades five through seven. In all other athletic activities, fifth through eighth graders are eligible to participate.

B. Residence and Transfer

A student shall be eligible if he/she attends the member school in the district in which he/she resides.

If the parents of a student move from one school district to another during the school year, the student may retain eligibility for the remainder of the school year provided the student continues to attend the school in the district from which the parents moved.

In cases where ISBE has granted a legislative waiver for children of certified staff members to attend the school tuition-free, the student shall have eligibility at the school where the certified staff member is employed.

A transfer student is one who transfers from one school to another school after the first day of classes at his/her school.

A student who transfers from one school to another school shall become eligible upon the **eleventh day of attendance** at the new school provided all eligibility requirements have been met.

C. Scholastic Standing

All contestants shall be in grades five through eight and shall not have passed eighth-grade standing.

A student shall be doing passing work as determined by the local school district in all school subjects and the school shall certify compliance with this By-Law. Use of a player, contestant, or participant shall be deemed such certification.

For all IESA activities, athletic as well as non-athletic, passing work shall be checked weekly. Eligibility will be applied to the Monday through Saturday following the week that was checked. Students must be passing each subject each week to be eligible. Grades shall be cumulative for the school's grading period.

The eligibility check shall be the same day each week unless school is not in session; then it must be taken on the last day of student attendance that week.

For fall sports, the first eligibility check shall be made following the first full week of attendance at the beginning of the school year. During the succeeding weeks of the school year, the eligibility check shall begin the week prior to the first contest in an activity.

D. Age

For seventh grade basketball, a student shall be eligible through age fourteen (14). If a student in seventh grade basketball becomes fifteen (15) before the final event in the seventh grade state tournament series in basketball, he/she is not eligible to participate in seventh grade basketball.

For eighth grade basketball, a student shall be eligible through age fifteen (15). If a student becomes sixteen (16) before the final event in the eighth grade state tournament series in basketball, he/she is not eligible to participate in eighth grade basketball.

Each student must provide the principal of his/her school with certification of his/her birth before practice or participation in any athletic activity. This must be a birth certificate or hospital record or a thermostatic copy of such. A baptismal certificate is not acceptable.

A student shall be permitted to try-out only for those activities for which he/she is eligible by age.

E. Physical Examination

No student shall be permitted to compete in a tryout, practice, or game unless he/she has filed with his/her principal a certificate of physical fitness that has been issued by a licensed physician, physician's assistant or nurse practitioner as set forth in the Illinois State Statutes not more than 395 days preceding such tryout, practice, or contest in any athletic activity.

Any student who is not allowed to participate in interscholastic activities as the result of a physician's directive may not return to play until they have received written clearance from a physician.

F. Amateurism

As the result of participating in the IESA Basketball state series (regional, sectional, state) a student in a member school may accept any award (except cash) which does not exceed \$100.00 in fair market value.

A student in a member school may accept a school letter for an interscholastic sport, regardless of cost.

Violation of the provisions of By-Law 3.070 shall cause ineligibility in the sport in which the violation occurred. An official ruling must be secured from the Executive Director before any student who violates these rules may be reinstated to eligibility.

G. Participating Under an Assumed Name

In the event students participate in interscholastic competition under any other name than their own, the principal shall immediately suspend violators from further interscholastic participation. The future interscholastic participation of violators and/or persons contributing to a violation shall then be considered by the Board of Directors.

H. Coaching School Participation

A student who is a member of the school team in a sport may participate, depending on local school district policy, in any coaching school/camp during that interscholastic sport season.

A coaching school/camp is defined as any program sponsored by an organization or individual which provides instruction in sports theory and skills to groups of persons.

Students may participate in and/or receive private lessons, school physical conditioning programs, and be used for demonstration purposes in coaches' clinics.

I. All-Star Participation

No athletic team from any member school may compete against an "all-star" team.

1. A variety of recreational activities are available during the course of the year.
2. There is no coaching or instruction in the skills and techniques in any sport at any time.
3. Participation is voluntary and is not required directly or indirectly for membership on a school squad.
4. Comparable opportunities are afforded to all participants.

Open Gym Illustrations

Q. What procedures should schools use to insure all students are adequately notified of opportunities to participate in open gyms?

A. Schools must publicize open gyms in a manner that insures all students have a reasonable opportunity to be informed regarding dates and times of open gyms. Schools may utilize public address announcements, flyers, written announcements or newsletters to notify students regarding open gyms.

Q. May a school conduct a sport specific open gym?

A. Yes, provided a variety of recreational activities are available during the course of the year.

Q. May a coed school conduct a gender specific open gym?

A. No.

Q. Is it permissible for a coach to play with or against students from his/her own school during out-of-season open gym programs?

A. Yes.

K. Provisions for Out-of-Season Contact

After the official ending date of a sport season (according to the date listed in Division 4 of the IESA Handbook) students from the same member school may play together in a sport provided the school has no affiliation with the activity. In addition, a coach may coach the students from the school provided he/she is not coaching the students as an official representative of the school and is not receiving any school compensation for coaching.

V. SEASON AND TEAM LIMITATIONS

No member school participating in the girls basketball state tournament series shall organize, hold tryouts, or practice prior to Monday of Week 9 ([August 27, 2018](#)).

No member school participating in the boys basketball state tournament series hold tryouts, or practice prior to Monday of Week 16 ([October 15, 2018](#)).

A member school may conduct its first interscholastic contest in boys' basketball no earlier than Saturday of Week 17 ([October 27, 2018](#)). Its last interscholastic contest in boys' basketball shall be no later than Saturday of Week 36 ([March 9, 2019](#)) in the IESA standardized calendar.

Only schools which have an established school team which has participated in at least three (3) interscholastic contests prior to the Online Roster and Record deadline during the current season may participate in team competition in Association-sponsored tournaments.

No basketball team representing a member school shall, in any one season and exclusive of the IESA series, participate in more **than 24 games**.

Member schools may not permit students to participate as school representatives in interscholastic activities with high school or non-school groups.

Member schools are not allowed to practice against other schools, including high schools, or allow students from their own school to practice with a different school.

All interscholastic competition shall be considered a game.

No athletic team from any member school may compete against an "all-star" team.

VI. INDIVIDUAL PLAYER LIMITATIONS

For regular season contests and all tournaments (regular season and state series), students shall be limited to a maximum of eight (8) quarters per day. Participation in a quarter shall mean that a student actually competes (regardless of the length of time) in the quarter. (i.e. 6 quarters at the 7th grade level and 2 quarters at the 8th grade level; or 3 quarters at the 7th grade level and 5 quarters at the 8th grade level; 4 quarters at the 7th grade level and 4 quarters at the 8th grade level, etc.)

Students may participate in either or both grade levels of the IESA state tournaments for which they are qualified. Eighth graders are never permitted to play on seventh grade teams. Seventh graders are never allowed to participate on sixth grade teams.

Students in 5th or 6th grade who participate on the school's 7th or 8th grade teams must abide by all IESA rules and regulations only during the IESA season for the given activity.

In addition to automatic forfeiture of the contest, should a student exceed the individual limitations listed, the coach of the team shall be ineligible to coach for the next two interscholastic contests at the level where the violation occurred and all other interscholastic contests at any level in the interim.

Only students who are currently eligible to participate in an interscholastic contest shall appear at a contest in the uniform of their school.

VII. COACH QUALIFICATIONS

To serve as a Head or Assistant Coach, athletic coaches in member schools in the sports in which the school participates in the IESA state series must:

- (a) be regularly licensed by the ISBE as a teacher, administrator or school service personnel (i.e. counselor, social worker, speech therapist, etc.); or
- (b) be a retired teacher/coach from an IESA or IHSA member school; or
- (c) be a college student coaching as part of an official student teaching assignment; or
- (d) be certified through an IESA approved coaches education program, AND
- (e) be officially employed by the local school board of the member school.

The following courses have been approved by the IESA Board of Directors: IESA/Human Kinetics Coaching Essentials course; IHSA/Human Kinetics Coach Principles or Coaching Orientation course, or NFHS Fundamentals of Coaching Course

A person with a substitute only license must complete one of the approved coaching education courses in order to serve as a coach.

High school students may be assigned to assist with the coaching of athletic teams in a member school provided they are under the direct supervision of an individual who is qualified to coach.

Any coach who does not meet the IESA coaching qualifications as detailed above will be suspended for a minimum of two games and will not be permitted to coach again until he/she completes an IESA approved coaching education course. This includes practices as well as contests.

Additional sanctions may be applied by the Board of Directors to schools with multiple violations for non-compliance with the coaching education By-Law.

GENERAL

Q. What does the phrase 'regularly certified to teach in the schools of Illinois' mean?

A. You are a person who has fulfilled the requirements of state law to teach by the Illinois State Board of Education.

Q. If I am not a licensed teacher or administrator and, therefore, need to complete one of the approved coaching education courses, how often do I have to take the approved coaches education course?

A. Once.

Q. All of my coaches including my cheer coach are certified teachers. Can we require that they complete the coaching education course?

A. Yes. This would be a local policy requiring such completion.

STUDENT TEACHERS

Q. May a student teacher assist with the coaching of an athletic team?

A. Yes, provided it is part of the student teaching experience.

Q. May student teachers continue coaching their student teaching assignments after the regular student teaching period ends?

A. Yes, provided their college or university authorizes the continuation.

VOLUNTEER COACHES

Q. May a person volunteer to coach without pay at a member school?

A. Yes. However, whether a person is paid to coach or is a non-paid volunteer, the person must meet the qualification requirements of By-Law 2.110 and its

sub-sections.

MINIMUM AGE OF NON-FACULTY COACHES

Q. Is there an age minimum for non-faculty and/or non-certified personnel who coach?

A. The Board of Directors interprets the provisions of this By-Law to require non-faculty and/or non-certified coaches to be a high school graduate or equivalent.

HIGH SCHOOL STUDENTS AS COACHES

Q. I have a high school student assisting our wrestling squad. My head coach was ejected from the contest. May the high school student take over as the head coach for the remainder of the match?

A. No. You would have to forfeit the remaining matches of the meet unless there is an individual in attendance who meets the coaching education requirement in attendance who can assume the duties of the head coach.

Q. May the high school student we have assisting my volleyball coach be the only coach in the gym when my head coach had to miss practice?

A. No. The high school student who is assisting can never assume coaching duties unless he/she is under the direct supervision of a coach qualified under the provisions of 2.110.

Q. May we use high school students to demonstrate skills during practice or as team managers?

A. Yes.

RETIRED TEACHERS

Q. Does the provision for coaching by retired teachers refer only to persons immediately retired from teaching, or to retired teachers regardless of the date of their retirement?

A. The by-law simply states "...a retired teacher from an IESA or IHSA member school." This statement is interpreted literally, it permits a school to utilize any retired teacher from a member school as a coach.

SUBSTITUTE TEACHING LICENSE

Q. May a person with a substitute only license coach?

A. No. However, if they complete an IESA approved coaching education course, they are eligible to coach.

COACHING CERTIFICATION NOT REQUIRED

Q. Are there any IESA activities where the coach of a given activity would not be required to meet the coaching education requirements?

A. Yes. Coaches/instructors for music, speech, scholastic bowl and chess are not required to meet the coaching education requirements.

VIII. SEEDING

A. In basketball, regional seeding will be conducted using an online procedure. In general, seeding shall be done as if an actual meeting were taking place using traditional seeding criteria except that the procedure is done online rather than an actual meeting.

B. Online Ranking and Seeding

All schools entering the basketball state series must enter the following information online by the appropriate deadlines in the IESA standardized calendar [7G- Nov. 6, 8G- Nov. 13, 7B- Jan. 8, 8B- Jan. 15]:

- Season Schedule with results
- Regional Entry Form
- Special Comment Section regarding your team's season

The following penalty is in effect for schools that fail to submit their online roster and record and/or seeding information by the posted deadlines in boys and girls basketball:

- a. **First offense:** School will be placed on probation.
- b. **Second consecutive offense:** School will be able to participate in the state series of the current year but will not be able to participate in the state series the following year unless the school pays a \$250 fee for reinstatement to the state series.

A team withdrawing from competition following the online ranking deadline shall be declared as a forfeit. The remaining teams will not be re-seeded.

The following steps should be followed to seed the regional tournaments.

SEEDING PROCEDURES

A school that fails to enter their season schedule, results, and Regional Entry Form by the online roster and record deadline has no say regarding any seed. Other schools in their regional will be still be able to seed them.

Schools will rank all participating schools in their regional except their own, based on the information each team submitted online. Each school will have one day to complete this step of the online seeding process. The ranking step occurs: 7G- Nov. 8, 8G- Nov. 15, 7B- Jan. 10, 8B- Jan. 17

Factors to consider when seeding

- a. Season Record
- b. Quality of team's competition
- c. Smaller schools (1A or 2A) schools competing against larger schools (Class 3A or 4A)
- d. Head to Head competition
- e. Record against common opponents
- f. Roster of the post season team i.e. a 7th grader who has played on the 8th grade team all year but will play on the 7th grade team in the state series or a 7th grader who has played only 7th grade all year but will also play on the 8th grade team in the regional may be the basis for giving a higher seed.
- g. Each school shall rate all teams assigned to the regional except their own.

The IESA will confirm all seeds and break any ties. **Note: The IESA will break all ties by a coin flip.** The seeding results submitted by each team participating in the regional will be posted in the Basketball Entry Center after the completed brackets have been posted.

Note: No school may enter the state series unless they have participated at least three interscholastic contests during the current season prior to online seeding.

B. Regional Tournament Pairings

Regional tournament brackets should be set-up as follows. All games are to be played in the proper order and shall not be changed unless permission is granted by the IESA.

1. In four-team tournaments, seed #1 vs. seed #4 in game 1 and seed #2 vs. seed #3 in game 2. Winners of games 1 & 2 then meet for the regional championship (3 games).
2. In five-team basketball tournaments, seed #1 vs. bye and seed #4 vs. seed #5 in game 1 in top bracket; seed #2 vs. bye and seed #3 vs. bye in the bottom bracket. In the second round, seed #1 plays winner of game 1 in game 2 and seeds #2 and #3 play game 3. Winners of games 2 & 3 then play for the regional championship (4 games).
3. When a five team basketball regional is played in two days, the playing schedule shall be as follows: seed #1 vs. bye and seed #4 vs. seed #5 in game 1 in top bracket; seed #2 vs. bye and seed #3 vs. bye in the bottom bracket. In the second round, seed #2 vs. seed #3 in game 2 and then the winner of game 1 plays seed #1 in game 3 all on day one. C. Regional/Sectional Host Requirements

All regional and sectional hosts are obtained on a volunteer basis. Any school interested in hosting should contact the IESA Office. It is recommended that in addition to the tournament manager, an administrator or other school representative from the host school be in attendance at all times for state tournament series contests.

The IESA and its Board of Directors require an administrator or school representative (other than the participating coaches) be in attendance at all home contests. It is recommended that in addition to the tournament manager, an administrator or other school representative from the host school be in attendance at all times for state tournament series contests.

Schools serving as a host must have signage in accordance with the Concealed Carry, Act 430 ILCS 66. This includes an IESA event that is held on your school property and IESA events help off-premise (i.e. a park).

The winners of the 16 Regional tournaments shall be assigned to 8 Sectional tournaments consisting of two teams each.

The winners of the 8 Sectional games shall be entered in the State Final Tournament.

If an opponent incurs a violation in the state series that requires a contest or contests to be forfeited, the following policy will be followed:

- If the violation affects only one round of competition, the opponent within that round will be advanced on to the next round of competition within the state tournament series.
- If the violation affects more than one round of competition, no opponent from the preceding rounds of competition shall be advanced to the next round of competition within the state tournament series.
- The advancement of opponents shall be determined by the IESA Office.

X. TOURNAMENT STRUCTURE

WARM-UP PERIOD: Basketball warm-up periods shall be limited to 15 minutes in all tournament play.

DESIGNATED HOME TEAM: In regional and state play, top team in the bracket will be considered the home team. In sectional play, the team from the odd-numbered regional shall be designated as the home team.

Regional and sectional competition sites will be assigned by the IESA Office. If a regional or sectional site is not assigned by the IESA Office, then schools assigned to that regional/sectional may contact the IESA Office to indicate their willingness to host a state series contest. Bids for regional, sectional, and state tournament sites shall be forwarded to the IESA Office.

When inclement weather alters the designated playing site of a regional tournament game, the higher seeded team will host the game(s) unless schools mutually agree to a different site.

When inclement weather alters the designated playing site of a sectional tournament game, the playing site will be determined by a coin-flip.

Actual state series competition dates shall be in accordance with the IESA calendar. No eighth grade regional tournaments will be permitted to be scheduled on seventh grade sectional dates. It is recommended that regional competition be scheduled in the evening hours to increase receipts and minimize the assessment to participating schools.

****For a team competing in two regional games in one day, the time between the start of the first regional game for that team and the start of the second regional game for that team must be a minimum of three (3) hours.

XI. TOURNAMENT RULES

All interscholastic athletic games, meets, and contests participated in by IESA member schools shall be governed only by the rules written or officially adopted for those respective sports by the National Federation of State High School Associations and modified by the IESA. Schools hosting IESA state series contests that do not uphold the By-Laws or Terms and Conditions of a given activity governing the conduct of those contests may be subject to sanctions as determined by the Executive Director.

Sectional hosts shall not schedule regular season contests of any activity in their facility on sectional dates.

OFFICIAL BASKETBALL: Balls used for the regional, sectional, and state tournaments must be the Rawlings Model. The model for the girls' ball is CNTR285-IESA. The model for the boys' ball is CNTR295-IESA.

No athletic uniforms may show any commercial or non-school advertising other than the manufacturers and must be in compliance with NFHS uniform rules. Warm-ups worn by the competitors may show commercial or non-school advertising.

The host school shall not make its gymnasium available to the visiting teams for practice sessions.

CELL PHONES: No cell phones or electronic devices are permitted at the scorer's table during a contest by bench personnel. This includes both regular season contests and the IESA state series contests.

FORFEITURE: A team failing to field the required number of starting players within thirty (30) minutes of the scheduled game time shall forfeit the game. A game that is played even though the school failed to field the required number of starters within thirty (30) minutes of the scheduled game time cannot be protested for that reason.

XII. TOURNAMENT POLICIES

All fans that attend IESA state series contests must wear shirts at all times.

PRE-GAME RUNOUT: When taking the floor for a contest, teams should take the shortest path to their own end of the court and not run through the area occupied by the opposing team, run under the basket where their opponents are warming up, or split into two lines and circle their opponents. Where possible, teams should only enter, jog, or warm-up on their own half of the court. Gatherings intended to motivate a team after the warm-up period, during or following introductions and post-game celebrations should be performed in the area directly in front of the team bench.

Prayer at an IESA state series contest that takes place over a public address system is prohibited.

BANNERS: The displaying of signs, banners, placards, balloons, or constructed frames through which players run is prohibited. Such devices obstruct the view of spectators, can be unsightly, and in many instances may become safety hazards. Local tournament managers should not permit these devices to be brought into the playing areas.

NOISE-MAKING DEVICES: Tournament managers should not permit spectators to bring mechanical noise-making devices, megaphones, radios, or tape players into the playing area of the state tournament contest.

VIDEO-TAPING: Video-taping will be allowed in all IESA state series contests. Review of such video during a contest is determined by NFHS rule for each activity.

No alcoholic beverages shall be served at any IESA activity where there are students participating.

Host schools should make every effort to accommodate the media.

No flash photography shall be used during play.

CHEERLEADERS: Limits on free admission to the state tournament series shall be twelve (12) cheerleaders.

1. Cheerleaders must be in uniform to be admitted free.
2. There shall be a maximum of 12 cheerleaders performing sideline cheers on the floor at one time, provided the facility can safely accommodate this number.
3. A game official may always ask for the sidelines/endlines to be kept clear and reduce the number of cheerleaders for the safety of the players.
4. All cheers, performances, routines, or other activities conducted by a school's spirit squads (i.e. cheerleaders, pom poms, flags, drill team) shall be conducted in accordance with the Spirit Rules published by the National Federation of State High School Associations.
5. Cheerleaders are not allowed to perform basket tosses and double full twisting dismounts at any time, regardless of the surface, in any IESA sanctioned contest or competition.
6. During full timeouts, between quarters, and at halftime more than 12 cheerleaders may perform provided their performance can be completed without stopping/delaying play.

BAND: If a host school has a band capable of contributing to the entertainment, there is no objection to have it play before games and during intermission of state tournament series games. Members of the band may be given free admission. Under no circumstances may the band instruments be used for cheering purposes. The use of band instruments for cheering purposes will be considered evidence of discourteous conduct and upon receipt of substantiating evidence of such conduct, the Executive Director will instruct the local manager to exclude the band from the gymnasium. No band other than the one from the local school shall be admitted as an organization except by special permission of the Executive Director who will act only upon petition of the local manager.

It is recommended a safe area be in place for all state tournament series contests as determined by the local and game management. The safe area would extend from the baseline toward the facilities back wall, stage, or bleachers. The safe area would be devoid of any persons (such as cheerleaders or media personnel) or any other obstructions.

No interscholastic tournaments may have a sponsor who is a manufacturer, distributor, or advertiser of tobacco or alcoholic beverages, political or religious groups, or of any other products or services which might reflect unfavorably upon the school or the Association.

INCLEMENT WEATHER PROVISIONS: State series contests in girls softball, boys baseball, girls basketball, boys basketball, and girls volleyball shall not be forfeited due to weather. If the administrator of any participating school determines the team cannot reach the tournament site due to weather, or if the tournament manager makes the decision that all contests scheduled on a given day shall not be held because of weather, the host school shall reschedule the game(s) and adjust the remainder of the playing schedule as necessary. Other contests scheduled on that date may still be held.

Any coach or school official who withdraws a team from the field of play under any circumstances prior to the official completion of the game shall forfeit all rights to protest, except when the principal of the forfeiting school believes circumstances which affected the health, safety, or welfare of the students required such action, the principal may file a protest.

XIII. EXCEPTIONS TO THE NFHS PLAYING RULES

The smaller basketball has been adopted for IESA girls state tournament play. [1-12]

Undergarments shall be a single solid color similar to the torso of the jersey and shall be hemmed and not have frayed or ragged edges. If the undershirt has sleeves, they shall be the same length [3-5-6]. Note: This exception removes the logo restriction. At the IESA level, undergarments that have one or more logos and/or the logo size exceeds what is allowed by NFHS rule, shall be legal.

Shorts may be rolled when done for the purpose of allowing a better fitting uniform. Strings must be tucked in to the shorts/pants/skirt. [3-3-5]

Host schools in tournament play shall provide a black and white striped garment to be worn by the official scorer for all games as required by NFHS rule. [2-11-12]

The three-point field goal is mandatory for all regular season contests and state series tournaments games. [5-2-1]

All games shall consist of six-minute periods. Overtime periods shall be three minutes. Member schools may play away basketball games with seven-minute quarters with member schools of the Southern Illinois Junior High School Athletic Association. [5-5-2, 5-7-3]

The Association has adopted the use of a 28 ft. coaching box for basketball. [1-13-2]

The Association has adopted a "mercy" rule for all regular season contests, tournaments and the IESA state series (regional, sectional, and state). [5-5-3 note]

The following guidelines for the administration of the mercy rule shall be used:

- i. A running clock shall be utilized during the fourth quarter in contests with a 30 point differential in score.
- ii. Once the clock begins running continuously because of the point differential, it is to remain running for the rest of the contest, even if the point differential drops under the 30 point barrier during the fourth quarter.
- iii. If a contest should begin its fourth quarter with a 30 point differential in score or greater, the entire fourth quarter will be played with a running clock. The running clock shall not be used prior to the fourth quarter of any contest.
- iv. If, while using the running clock because of the point differential and the trailing team somehow tied the contest at the end of regulation, any and all subsequent overtime periods would be played using the continuous clock.
- v. The running clock would only be stopped once it starts for the following:
 1. A team timeout,
 2. To replace a disqualified player,
 3. To administer a technical foul,
 4. To attend to an injured player,
 5. Any other situation of concern to an official.

It is recommended a safe area be in place for all state tournament series contests as determined by the local and game management. [1-2-1]

The official scorer and timer for all regular season and state series games must be at least 16 years of age.

XIV. SPORTSMANSHIP

It is the clear obligation of students, school staff, boards of education, and all other official representatives of member schools in all interscholastic relationships to practice and promote the highest principles of sportsmanship and the ethics of competition, and it is the obligation of the member school to maintain proper crowd control at all interscholastic activities. The Association shall have no responsibility for crowd control nor for the actions of school representatives. The Board of Directors shall have full authority to penalize any member school, any of whose representatives or spectators may be adjudged upon competent evidence to have violated these obligations.

The IESA and its Board of Directors require an administrator or school representative (other than the participating coaches) be in attendance at all home contests. It is recommended that in addition to the tournament manager, an administrator or other school representative from the host school be in attendance at all times for state tournament series contests.

The IESA and its Board of Directors recommends that a school have a policy in place when it is necessary to deal with a fan ejection(s).

For all contests, game officials will be required to fill out and submit a special report form for an ejection within 48 hours of the incident. In addition, the host school administrator on duty should also complete a special report form within 48 hours and return it to the IESA office following any ejection.

Students participating in interscholastic contests in violation of the By-Laws, or other persons found to be in gross violation of the ethics of competition or the principles of good sportsmanship, may be barred by the Executive Director from interscholastic activities.

If players or representatives of any school entered in an IESA state series tournament are found guilty of carelessly or maliciously breaking, damaging, or destroying property or equipment belonging to the host school or other visiting schools, such as damaging baskets or backboards during warm-up drills, breaking or damaging lockers, etc., destruction to other teams equipment, buses, etc., such school shall be held responsible for costs incurred in repairing or replacing such property or equipment.

EJECTION OF A PLAYER: Any player ejected from a contest for unsportsmanlike conduct shall be ineligible for the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or school may assess. Any player ejected for unsportsmanlike conduct a second time in any activity during the school year, shall be ineligible for all remaining interscholastic contests the day of the ejection and the next two interscholastic contests at the level at which the ejection occurred, *and all other interscholastic contests at any level in the interim*, in addition to other penalties the IESA or the school may assess. Examples: A basketball player is ejected twice during the course of the season. The player is not allowed to participate in the next two contests following the ejection; a player is ejected one time during the baseball season for unsportsmanlike conduct and one time during the basketball season also for unsportsmanlike conduct. That player is not allowed to participate in the next two basketball contests at the level where the ejection occurred following the second ejection.

EJECTION OF A COACH: Any coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the **next two (2)** interscholastic contests at that level of competition, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or school may assess. Any coach ejected for unsportsmanlike conduct a second time in any activity during the school year, shall be ineligible for all remaining interscholastic contests the day of the ejection and the **next five (5)** interscholastic contests at the level at which the ejection occurred, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or the school may assess. Examples: A basketball coach is ejected twice during the course of the season. The coach is not allowed to attend the next five contests following the ejection; a coach is ejected one time during the baseball season for unsportsmanlike conduct and one time during the basketball season also for unsportsmanlike conduct. That coach is not allowed to attend the next five basketball contests following the second ejection.

Any player or coach ejected from a contest for unsportsmanlike conduct who fails to sit out the remaining interscholastic contest(s) as required in By-

Laws 5.121 and 5.122 shall cause the team(s) to forfeit that contest and possibly receive other penalties as determined by the Board of Directors.

MULTIPLE EJECTIONS IN A SCHOOL YEAR: Any school that receives two ejections in a school year (which includes players, coaches and fans) will require that school administration be required to communicate in writing with the Sportsmanship Review Panel on the steps the school is taking to address the issue. The panel may recommend additional sanctions to the Board of Directors if they deem necessary.

Illustrations for Sportsmanship

Q. May a coach who is ineligible for a contest due to a suspension for unsportsmanlike conduct travel with the team to the contest or attend the contest?

A. No.

Q. If a player or coach is ejected from a 7th grade game, when is he/she eligible to participate?

A. A player or coach ejected from a 7th grade contest may not play or coach in the 8th grade contest scheduled on the same evening. *Furthermore, whenever the next 7th grade contest is scheduled, the player or coach is required to miss that contest and all contests between.*

Q. My coach was ejected from a 7th grade game on Tuesday. Our next 7th grade game is not scheduled until two weeks from that day. Our county 8th grade tournament is scheduled to start this coming Saturday. Is my coach allowed to coach in the 8th grade county tournament?

A. *No. Coaches are required to miss all contests for the remainder of the day once they have been ejected, the next two contests at the level at which the ejection occurred and all contests in between. Since your coach was ejected in the 7th grade contest, he/she could not coach the 8th grade county tournament and would have to miss the next two 7th grade contests.*

Q. What is the definition of Unsportsmanlike Conduct?

A. Unsportsmanlike Conduct is defined as the following: fighting, verbal abuse/dissent directed toward an official or opponent, racial or ethnic slurs, profanity/obscene gestures, flagrant/violent fouls, taunting/trash talking/baiting, cheating, throwing/abusing equipment, physical intimidation or abuse of an official or opponent, and unauthorized leaving of the team bench.

Q. If a player is disqualified for committing five personal fouls in a basketball game, must he/she sit-out the next contest?

A. No. By-Law 5.121 only applies when players are ejected for unsportsmanlike conduct.

Q. If a girl is ejected from the first game of a softball doubleheader, is she eligible to play the second game of the doubleheader?

A. No. She would have to miss the second game that day and the team's next scheduled game.

Q. What is the umpire's/referee's role in enforcing By-Law 5.120?

A. Game officials are not responsible for enforcing the By-Law. Officials must report the ejection to the IESA Office and the member school within 48 hours of the incident.

Q. May players who are ejected for unsportsmanlike conduct travel with the team to the next contest or attend the contest?

A. Yes, but the ineligible player may not dress for the contest.

Q. What happens to a player who is ejected during the regional basketball final and the team loses the regional contest?

A. The ejected player must sit out the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim, in which he or she participates. Example: A 7th grade boy is ejected in the 7th grade regional basketball championship game. The team loses the championship game. This student also plays on the 8th grade team. This boy would not be eligible to play in any remaining 8th grade basketball contests as the 7th grade season is over and the By-Law states he must sit out the next interscholastic contest at that level and all other interscholastic contests at any level in the interim. He would have to miss the first track meet of his 7th grade year assuming he participates in track, If he does not participate in track, then he would have to miss the first contest of his 8th grade year in any interscholastic contest.

Q. Can the decision of the game official to assess an unsportsmanlike conduct penalty be appealed?

A. No. That is a decision of the contest official and By-Laws 2.129 and 5.078 prohibit the decisions of game officials to be appealed.

Q. A coach receives two technical fouls in a game and therefore is required by rule to be ejected from the game. Is the coach or player required to sit out the next two contests?

A. Yes. Receiving two direct technical fouls is considered being ejected for unsportsmanlike conduct.

Q. When a student is ejected for unsportsmanlike conduct and has to sit out the next game and also becomes academically ineligible for the next game, will the student serve both periods of ineligibility at the same time?

A. No. The student will be academically ineligible for the next week and then the student will serve the penalty for the ejection once the student has regained academic eligibility.

XV. GUIDELINES FOR SPECIAL INITIATIVE/AWARENESS CONTESTS

- A. Uniform color must be legal under NFHS rules. Example: Breast cancer awareness pink uniforms would not be legal as a home uniform as basketball requires a white home uniform.
- B. A permanently attached commemorative patch may be worn but must adhere to NFHS rules.
- C. Initiative/awareness color specific headbands/wristbands are allowed (i.e. pink headbands). Note that all team members must be uniform in color with regard to headbands/wristbands.

XVIII. OFFICIALS

NOTE: A school's first violation for hiring a non-licensed official in basketball will result in a warning. With a second violation, the Executive Director shall have the full authority to determine and impose a monetary penalty equivalent to the cost of one regional official for that activity.

Two officials shall be hired for all regular season games, both of whom shall be licensed by the IHSA.
