

# TEAM PHOTO TIME/INFORMATION

**COACHES: FRIDAY:** The IESA requires teams to have their picture taken on Friday between **11 a.m. to the end of the last round of wrestling**. Please understand every year we have upset parents because their team did not get its picture taken and State photo plaques are not available to purchase on Saturday. The entire process typically takes 5- 15 minutes depending on the line. \* (call Ken w/ questions @ 309-678-6116).

**Please email this page to parents or make copies for them**
