

***ATTENTION ALL MIDDLE SCHOOL AND JUNIOR HIGH SCHOOL ATHLETIC ADMINISTRATORS – SPECIAL COURSE OFFERING AT 2012 IADA STATE CONFERENCE IN PEORIA***

We had an outstanding response to the efforts to reach out to our colleagues at the 2011 Summer Retreat and New Athletic Director Workshop. We really are striving to get you to belong to our organization and finding new ways to get the professional development that will help you make your job less stressful and to build a network of professionals who are in the same position that you are so that you can collaborate with them. The Conference Committee has planned mini-sessions and learning opportunities for you throughout the State Conference. In keeping with the theme of trying to get you the information that will help make an impact on making you more efficient and knowing that there are many athletic administrators to collaborate with and help you along. We truly want you to join us. In the last teaching block of the State Conference for Leadership Training Institute Courses, we will offer **LTC 700 Athletic Administration: Administration of Middle School Athletic Programs**

This course provides insights and strategies for the leadership of developmentally sound educationally compatible middle level school athletic programs. Middle school philosophy is discussed along with the relationship it has to the psychological and physical development of the middle school child. This course also focuses on concerns and/or challenges raised about the value of middle school sports programs in today's educational setting.

The final teaching block will take place Saturday morning May 5<sup>th</sup>, 2012 from 8:00 am until 12:00 noon and will be offered in a meeting room at the Sheraton Hotel and Conference Center. Registration fee (if you get me this paper by April 5<sup>th</sup>, 2012) is \$100.00. People who register after this date are charged a fee of an additional \$25.00 to allow us to mail text and certificates to you. So even if you not sure, or you have taken this before and are having difficulty deciding, sign up any way, people that register and do not attend is not an expense like someone who registers late. Books are printed on an as needed basis and not stockpiled in a warehouse. Please make sure to make a copy of this form for yourself, the decision to add this took place after the conference programs went to final review and print.

Your willingness to participate (almost 35 middle school and junior high athletic directors were participants this summer with very late announcements) will help our professional organization grow and ultimately better serve the needs of the student-athletes involved in our educational athletic programs throughout the state. The registration may be faxed, mailed, or emailed to John A. Van Fleet, Sr. CMAA LTI Program State Coordinator. Address is 90 Newcastle Court, Crystal Lake, Illinois 60014-8627. Home and Office Phone is 1-815-893-0588. Home and Office FAX Number is 1-815-893-0873. The email address is [jvfsr@comcast.net](mailto:jvfsr@comcast.net), and the cellular phone number is 1-815-441-9334. Remember to copy this form and register early. We are looking forward to seeing you in Peoria May 4<sup>th</sup> through May 7<sup>th</sup>, 2012. Other LTI classes can be registered on line as it appears on the website ([www.illinoisada.org](http://www.illinoisada.org)) this special course can only be registered through John Van Fleet. Your membership in our organization and participation in our conference will be something that really improves our organization and something that I know you will find beneficial.
