

Baseball Pitch Count Entry Instructions

Both teams are responsible for keeping track of their team's pitch counts and their opponent's pitch counts. Teams should compare pitch counts after every inning to avoid discrepancies.

I. Entering Pitch Counts in Your School's Baseball Entry Center

A. Login to Your School's Member Center

1. Click on "Entry Center".

Your School	Activity Tracker	Registration	Entry Centers	Resources	Email	Officials	Schools
-----------------------------	----------------------------------	------------------------------	-------------------------------	---------------------------	-----------------------	---------------------------	-------------------------

2. Next to Boys Baseball, click on "Entries".

PITCH COUNTER Confirm Counts Mobile Version School Pitch Counts	

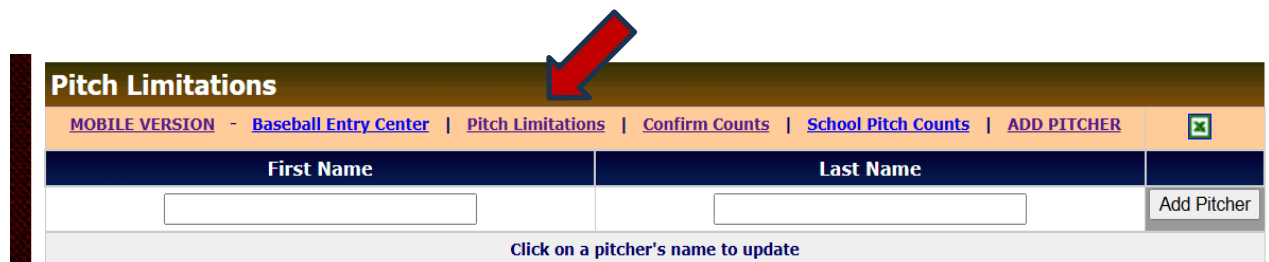

- a. Once you click on "Confirm Counts", you will see a list of your recent scored contests. They will be listed as either a.) "Pending" if either school has not entered their pitch counts or

- b.) "Confirm Pitches" link if ready to be confirmed; or c.) "Confirmed" if you have confirmed the pitch counts.
- You MUST confirm that your pitch counts and your opponent's are correct. If you agree both are correct, click **UPDATE & CONFIRM**
 - If you disagree with the pitch counts for either team, you can change the pitch counts you disagree with and click **UPDATE & CONFIRM**
- *WHEN TWO TEAMS DISAGREE ON A SPECIFIC PITCHER'S PITCH COUNTS, THE IESA ADMINISTRATOR WILL SPLIT THE DIFFERENCE. FOR EXAMPLE, TEAM A HAS JOHN SMITH THROWING 60 PITCHES, BUT TEAM B HAS JOHN SMITH THROWING 68 PITCHES. THE IESA ADMINISTRATOR WILL SPLIT THE DIFFERENCE AT 64 PITCHES.**
- To view other schools/opponents' pitch counts from the previous 4 days, click on "School Pitch Counts".

B. Entering your B/JV Team's Pitch Counts

- Unlike A/Varsity pitch counts, B/JV pitch counts are not associated with games/innings entered in your initial season schedule. You still must enter pitch counts for B/JV games or innings. To enter B/JV pitch counts, click on "Pitch Limitations"
