

2026 IESA Pre-Season Guide

Each **Head Coach** must register for a PK account:

- Go to www.PitchKount.com and click “Login”
- **Head Coach Only** - click “Register”
 1. Input your name, email, cell, password & submit
 2. Go to your email and verify your address in the message you receive from PK support
 3. Login to the PK system and answer a few questions to complete your registration:
 - State = **IL**
 - Association = **Illinois Elementary School Association**
 - Organization = **your school**

You do not have to add players to your PK roster. You will sync them over from AGL.

You do not have to add games to your PK calendar. They will populate from the AGL sync after games.

From your team’s PK homepage:

- Click “Coaches” tab to add assistant coaches
 - *Assistant coaches register & gain access to your team from the invite email you send*
 - *Assistant coaches can be added and removed as needed*
- Access to your school’s daily pitching report
- Access other team’s pitching reports and archived game reports in the **Scouting Reports** tab
- Complete the pitch count verification process
 - *PK game report is generated by the home team through the sync process with AGL*
 - *Visiting coach receives an email from PK that the game report has been submitted*
 - *Visiting coach logs into PK and reviews the report for accuracy*
 - *If everything is correct, click “Verify” and the process is complete*
 - *If there is an error, click “Dispute” and edit the report*
 - *Home coach is alerted of any disputed reports and instructed to review it*
 - *If the changes are correct, click “Verify” and the process is complete*
 - *If you disagree with the changes, click “Send to Association” and the IESA will make a final determination.*
