

BOWLING SECTIONAL COMPETITION SCHEDULE & INFORMATION April 11, 2026

LINEAGE FEES ARE DUE UPON CHECK-IN AT SECTIONALS.

- Schools that fail to provide payment upon check-in will not be permitted to participate.
- For all sites, sectional lineage fees must be submitted in cash or a school-issued check made payable directly to the sectional bowling center.
- The lineage will include the use of the center's bowling balls and shoes for students in need.
- Personal checks will not be accepted by the sectional hosts.
- 4 games will be played at sectionals.

Efforts will be made to equally distribute schools to sectional sites but the number of students/teams at each site may vary.

1. Students bowl 4 games at sectionals. Games 2, 3 and 4 will follow once all bowlers have completed the previous game.
2. A team is defined as a school having 4 students registered in a given division. An individual is defined as a student from a school that has registered 1, 2 or 3 bowlers in a given division.
3. Each sectional site will hold a coaches' meeting prior to warm-ups. Warm-ups will last 10 minutes and be immediately prior to Game 1 starting. The final schedule and lineage fees for all sites will be posted by March 1.
4. If a site needs to bowl the sectional in two shifts because of the number of lanes available at the center, the sectional host will determine which schools will bowl in each shift and there will be no less than 8 lanes used.
5. Each site will advance the top 4 boys' teams, the top 4 girls' teams, the top 8 individual boys not associated with an advancing team and the top 8 individual girls not associated with an advancing team.

4 boy teams = 16 students (4 per team)
4 girl teams = 16 students (4 per team)
8 individual boys
+ 8 individual girls

= 48 students advance per site x 6 sites = 288 students @ State

Unofficial Sectional Schedule
