

Sectional Wrestling Host Book

Thank you for accepting the task of hosting a 2025 sectional wrestling meet. You will find it is a great experience. The reward is seeing the joy, fun, and excitement of the wrestlers as they attempt to make it to the IESA state wrestling finals!

The sectional meet is scheduled for Saturday [March 1](#). Please note, the starting time for all sectionals is 9:00 a.m.

INSTRUCTIONS

1. OFFICIALS: The IESA has hired the officials necessary for your meet. Included in your mailing will be the names and contact information for the [five](#) officials assigned to work your sectional. Please be sure to call the officials assigned to your sectional and inform them of the starting time and be prepared to pay the officials the day of the meet. Each official should be paid \$225.
2. AWARDS: The sectional plaques and medals will be sent to you from our supplier, A & M Products, Princeton, IL. [The first place team will receive plaque](#). The first, second, third and fourth place individual in each weight class will receive a medal. If you do not receive the plaques from our supplier two weeks prior to your sectional, please contact the IESA Office. Bracket boards will be sent to you from our supplier. The bracket boards should be awarded to the champion of each weight class. DO NOT ORDER ANY BRACKET BOARDS. BE SURE TO GIVE THE INDIVIDUAL WINNER THE BRACKET BOARD ALONG WITH THEIR MEDAL.
3. All teams should be notified of the exact site. If making any changes from previous information, be sure to notify all schools and officials. Include in your information the starting time for weigh-ins and the time when actual wrestling will begin. A 60-minute weigh-in period shall be scheduled to start 90 minutes prior to all sectional tournaments. Teams must weigh-in together.

SECTIONAL ENTRIES AND PAIRINGS

1. Sectional tournaments will follow a true wrestleback format. Weight classes shall be as follows: 65, 70, 75, 80, 85, 90, 95, 100, 105, 112, 119, 126, 135, 145, 155, 167, 185, 215, and 275.
2. The listing of sectional qualifiers will be available online after [Monday, February 24](#). As the host, you will have access to this information. There are four regionals that "feed" your sectional and three wrestlers from each weight class in each regional advance to the sectional. For your sectional, there will be a total of 12 wrestlers in each weight class.
3. SEE ENCLOSED SAMPLE BRACKET FOR SAMPLE PAIRINGS. The first number is the regional number and the second number is the place...so a 1-2 would mean the second place wrestler from regional #1; 3-1 would be the first place wrestler from regional #3.

Sectional pairings will be released after the regional and will be different for each weight class.

Please note:

- Sectional A will have regionals 1, 2, 3, 4; pairings will reflect 1-1, 2-1, 3-1, 4-1, etc.
 - Sectional B will have regionals 5, 6, 7, 8; pairings will reflect 5-1, 6-1, 7-1, 8-1, etc;
 - Sectional C will have regionals 9, 10, 11, 12; pairings will reflect 9-1, 10-1, 11-1, 12-1, etc;
 - Sectional D will have regionals 13, 14, 15, 16; pairings will reflect 13-1, 14-1, 15-1, 16-1, etc.
3. There shall be a minimum rest period of 30 minutes between matches for each wrestler.
 4. Each student shall be limited to wrestling in the weight class in which they qualified at the regional meet. The wrestler must make scratch weight. For example, an 85 lb. wrestler can weigh a maximum of 85 lbs. A wrestler who fails to make weight the day of the sectional meet must be scratched. They cannot move to a higher weight class. If a wrestler does not make weight, they are out of the sectional meet.
 5. Should a wrestler need to scratch during sectional week for injury, illness, or ineligibility, it shall be the responsibility of the principal or coach of the wrestler who is scratching to notify the IESA Office that an alternate may be necessary. The IESA office will then contact the alternate.

If there is a wrestler who advances from regional to sectional but scratches prior to 4:00 p.m. on the Thursday preceding the sectional, the following criteria will determine who takes the spot in the sectional:

- a. The first alternate shall be the wrestler in the regional who was defeated in the 3rd place match.
- b. The second alternate shall be the wrestler who won the most matches in the regional championship bracket but failed to qualify as a third place winner or as the first alternate.

Scratches of wrestlers advancing to the sectional must be reported by 4:00 p.m. on the Thursday prior to the sectional in order for the alternate to advance. Scratches reported after 4:00 p.m. on that Thursday will not be replaced. There are no substitutions for injury, illness, or ineligibility the morning of the sectional meet.

If there is a scratch during the week, the web listing for your sectional contestants will be updated. There are no replacements for scratches reported after 4:00 p.m. on Thursday preceding the sectional.

DETAILS FOR MEET DAY

1. Call coaches together for final scratches. Any coach who reports a scratch the day of the meet will forfeit that spot. That wrestler's spot will not be replaced but you should advance wrestlers from the regional in the bracket (see below).
2. All competitors must weigh in and make the weight at which they qualified. If a wrestler fails to make the required weight, they can NOT move up to the next weight class and must be scratched. Any scratch reported to us after that and/or any wrestler who fails to make weight on Saturday morning shall be scratched without any replacement. Further, you DO NOT advance the wrestlers in the bracket if there is a scratch after 4:00 p.m. on Thursday or if a wrestler misses weight Saturday morning. That simply become a forfeit win for the opponent of the scratched wrestler.
3. No school may bring a scale to the sectional site to check weight. NO STATE SERIES HOST SHALL MAKE A WEIGHT SCALE AVAILABLE TO CHECK WEIGHT BEFORE THE ACTUAL WEIGH-INS BEGIN. A school that checks their weight upon arriving at the sectional site will be disqualified from competing if the head official on site is a witness to the checking of weight.
4. Mat officials will check hair and fingernails of all contestants at weigh-ins.

5. At the recommendation of the wrestling advisory committee and approved by the IESA Board of Directors, weigh-ins at the state series may be conducted by team rather than by weight class. Digital scales must be used for weigh-ins.
6. PLEASE REMEMBER THAT THIS IS AN IESA STATE SERIES ACTIVITY AND THAT YOU MUST CONDUCT THIS SECTIONAL WITH TOTAL IMPARTIALITY. PLEASE DO NOT DO ANY SPECIAL INTRODUCTIONS OF YOUR SQUAD MEMBERS, FLASHING LIGHTS, SMOKE, ETC. THANK YOU FOR YOUR COOPERATION TO HELP US CREATE AS EQUITABLE A SETTING AS POSSIBLE.

TEAM SCORING

First place--14 points
Second place--10 points
Third place--7 points
Fourth place--4 points
Advancement in all championship bracket matches--2 points
Advancement in all consolation bracket matches--1 point
Fall, disqualification, default, or forfeit--2 points
Technical fall--1½ points
Major decision (Winning by 8 to 14 points)--1 point

When a wrestler receives a bye and wins their next match, advancement and match points are doubled. Example: Wrestler A receives bye in preliminary round and pins opponent in quarterfinals. For this, Wrestler A receives a total of eight points, four for advancement and four for fall. This is a doubling of normal points. If Wrestler A does not win the quarterfinal match, they receive no advancement points for the preliminary or quarterfinal rounds. Winning in a placing match is not an advancement. See the enclosed scoring sheet for Byes and Bonus Points.

AWARDS

1. A plaque shall be awarded to the first place team. All schools shall be eligible for the sectional team award.
2. When presenting the individual awards at the sectional level, host schools should present the awards to the weight classes as they are completed. The place winners for those two classes are then seated in the awards area while the next two championship bouts are taking place.
