Thank you for accepting the task of hosting a sectional wrestling meet. You will find it is a great experience. Although it requires much work as the host school, you need much assistance from all participating schools. The reward is seeing the joy, fun, and excitement of the wrestlers as they attempt to make it to the IESA state wrestling finals!

Good preparation for your sectional meet should allow it to run smoothly and successfully.

## Instructions

1. The sectional meet is scheduled for Saturday of week 35 of the IESA standardized calendar. **In 2019, the date is March 2. Please note, the starting time for all sectionals shall be 9:00 a.m.** Since your officials are already hired, the sectional must be held on this date. IESA will send you the names and contracts of the three officials assigned to work your sectional. Please be sure to call the officials assigned to your sectional and inform them the starting time and be prepared to pay the officials the day of the meet. Each official receives \$170.
2. The sectional plaques will be sent to you from our supplier, A & M Products, Princeton, IL. The first and second place teams receive plaques. If you do not receive the plaques from our supplier within two weeks of your sectional, please contact the IESA Office. You will receive a box from the IESA Office with the bracket boards that are to be awarded to the champion of each weight class. Included in the box will be the first, second, third, and fourth place individual medals for each weight class and the contracts for the officials assigned to your sectional. **DO NOT ORDER ANY BRACKET BOARDS. BE SURE TO GIVE THE INDIVIDUAL WINNER THE BRACKET BOARD ALONG WITH HIS MEDAL.**
3. All teams should be notified of the exact site. If making any changes from previous information, be sure to notify all schools. Include in your information starting time for weigh-ins and the time when actual wrestling will begin.

## Sectional Entries and Pairings

1. The sectional qualifier listing will be available on-line at the IESA website after Monday, **February 25**. As the host, you will have access to this information. There are four regionals that "feed" your sectional and three wrestlers from each weight class in each regional advance to the sectional. There will be a total of 12 wrestlers in each weight classes for your sectional.
2. All regionals are numbered from 1 to 16. Your sectional will have four regionals that "feed" your sectional. Sectional A will have regionals 1, 2, 3, and 4 assigned to it; Sectional B will have regionals 5, 6, 7, and 8 assigned to it; Sectional C will have regionals 9, 10, 11, and 12 assigned to it; and Sectional D will have regionals 13, 14, 15, and 16 assigned to it. **SEE ENCLOSED SAMPLE BRACKET FOR PAIRINGS FOR DETAIL.** Sectional pairings will be different for each weight class and they will be released after the regional.
3. The student's birth date shall be in accordance with By-Law 3.052. Students must be born on or after **March 10, 2003**.
4. There shall be a minimum rest period of 45 minutes between matches for each wrestler.
5. Each student shall be limited to wrestling in the weight class in which he qualified at the regional meet. He must make scratch weight. For example, an 85 lb. wrestler can weigh a maximum of 85 lbs. A wrestler who fails to make weight the day of the sectional meet must be scratched. He cannot move to a higher weight class. In essence, he is out of the sectional meet.

**NO STATE SERIES HOST SHALL MAKE A WEIGHT SCALE AVAILABLE TO CHECK WEIGHT BEFORE THE ACTUAL WEIGH-INS BEGIN. NO TEAM MAY WEIGH-IN UNTIL THE HEAD OFFICIAL ASSIGNED BY THE IESA OFFICE IS PRESENT. HOST SCHOOLS IN PARTICULAR MUST ADHERE TO THIS RULE.**

**No school may bring a scale to the state series site to check weight. A school that checks their weight upon arriving at the state series site will be disqualified from competing if the head official on site is a witness to the checking of weight.**

6. *Should a wrestler need to scratch during sectional week for injury, illness, or ineligibility, it shall be the responsibility of the principal or coach of the wrestler who is scratching to notify the IESA Office that an alternate may be necessary. The IESA office will then contact the alternate's principal or coach that he will replace the regular qualifier. Scratches of wrestlers advancing to the sectional must be reported by 4:00 p.m. on the Thursday prior to the sectional in order for the alternate to advance. Scratches reported after 4:00 p.m. on that Thursday will not be replaced. There are no substitutions for injury, illness, or ineligibility the morning of the sectional meet. If there is a scratch during the week, the web listing for your sectional contestants will be updated. If there is a wrestler who advances from regional to sectional but scratches prior to 4:00 p.m. on the Thursday preceding the sectional, the following criteria will determine who takes the spot in the sectional: The first alternate shall be the wrestler in the regional who was defeated in the 3<sup>rd</sup> place match. The second alternate shall be the wrestler who won the most matches in the regional championship bracket but failed to qualify as a third place winner or as the first alternate. **There are no replacements for scratches reported after 4:00 p.m. on Thursday preceding the sectional.***
7. Weight classes shall be as follows: 65, 70, 75, 80, 85, 90, 95, 100, 105, 112, 119, 126, 135, 145, 155, 167, 185, 215, and 275.

## Hiring of Officials

1. Officials for your sectional have been hired and assigned by the IESA Office. [Enclosed is the contract for each official assigned to your sectional.](#)
2. Payment of **\$170.00** each is the **required** payment for the three **mat officials**. No more, no less. Officials should be paid the day of the tournament.

## Selection of Volunteer Workers

1. For all other positions necessary in the running of your sectional wrestling meet, it is recommended that volunteer workers be secured and no one paid. Request assistance from the participating schools if needed. Please make sure everyone knows the rules for the position they will be working.
2. Assign the duties to all workers ahead of time and send to all in writing. The following workers are recommended:

Head scorer

Official scorer at each table

Match timekeeper at each table

Students for moving bout cards to tables and back to head scorer, to post results, and for miscellaneous tasks as needed

Announcer

Awards personnel

## Equipment and Supplies

1. Let all schools know of any equipment that they may need to provide for you such as time clocks, mats, etc.
2. The following is a list of recommended equipment and supplies that you will need to provide:

Current National Federation Wrestling Rule Book

IESA Handbook

Two or more certified scales for weigh-in---**\*\*\*\*You must use a digital scale\*\*\*\***

Floor mats (Three mats are required)

Time clock for each mat table (Preferably visible throughout the gymnasium)

Scoreboard or flip chart for each mat table

Public Address system

Two master bracket sheets for each weight class for scoring and display purposes

Bout cards--Be sure to use the software from Preferred Educational Software

Use the wrestling software provided by IESA to run the computers

## Details for Meet Day

1. Call coaches together for final scratches. Since, there are no replacements for scratches reported after 4:00 p.m. on Thursday preceding the sectional, any coach who reports a scratch, that wrestler's spot will not be replaced but you should advance wrestlers from the regional in the bracket (see below).

2. All competitors must weigh in and make the weight at which they qualified. If a wrestler fails to make the required weight, he can **NOT** move up to the next weight class and must be scratched. In cases where a wrestler fails to make weight or a wrestler is scratched the day of the meet, the other wrestlers from the regional of the scratched wrestler shall be advanced in brackets, if possible. For example, the 1<sup>st</sup> place wrestler from a given regional does not make weight and has to scratch. The 2<sup>nd</sup> place wrestler from that regional moves to the 1<sup>st</sup> place slot and the 3<sup>rd</sup> place wrestler from that regional moves to the 2<sup>nd</sup> place slot.
3. Please see By-Laws 4.054 on replacements for illness, injury, or scholastic ineligibility. They are also listed in the current Wrestling Terms & Conditions. If there is a wrestler who advances from regional to sectional but scratches prior to 4:00 p.m. on the Thursday preceding the sectional, the following criteria will determine who takes the spot in the sectional: The first alternate shall be the wrestler in the regional who was defeated in the 3<sup>rd</sup> place match. The second alternate shall be the wrestler who won the most matches in the regional championship bracket but failed to qualify as a third place winner or as the first alternate.
4. Mat officials will check hair and fingernails of all contestants at weigh-ins.
5. At the recommendation of the wrestling advisory committee and approved by the IESA Board of Directors, weigh-ins at the state series may be conducted by team rather than by weight class. This is necessary due to the travel that is involved with some regionals making weight class weigh-in a logistical problem for some regional contest managers. Digital scales must be used for weigh-ins.
6. **PLEASE REMEMBER THAT THIS IS AN IESA STATE SERIES ACTIVITY AND THAT YOU MUST CONDUCT THIS SECTIONAL WITH TOTAL IMPARTIALITY. PLEASE DO NOT RECOGNIZE ANY TEAM MEMBERS, OR DO SOME OF THE THINGS THAT YOU MAY ORDINARILY DO FOR A REGULAR SEASON MEET (SPECIAL INTRODUCTIONS OF YOUR SQUAD MEMBERS, FLASHING LIGHTS, SMOKE, ETC.) THANK YOU FOR YOUR COOPERATION TO HELP US CREATE AS EQUITABLE A SETTING AS POSSIBLE.**

### **Finances**

1. Sectional financial report form is included. Admission prices at the sectional level are \$2.00 for K-8 Students and Senior Citizens and \$5.00 for Adults and High School Students.

The official form will come with the T-shirts.

The company that will sell the merchandise is The Cubby Hole--the same company that sells at all of our state finals. ## Team Scoring

First place--14 points

Second place--10 points

Third place--7 points

Fourth place--4 points

Advancement in all championship bracket matches--2 points

Advancement in all consolation bracket matches--1 point

Fall, disqualification, default, or forfeit--2 points

Technical fall--1½ points

Major decision (Winning by 8 to 14 points)--1 point

When a wrestler receives a bye and wins his next match, advancement and match points are doubled. Example: Smith receives bye in preliminary round and pins opponent in quarterfinals. For this he receives a total of eight points, four for advancement and four for fall. This is a doubling of normal points. If Smith does not win his quarterfinal match, he receives no advancement points for the preliminary or quarterfinal rounds. Winning in a **placing** match is **not** an advancement. See the enclosed scoring sheet for Byes and Bonus Points.

## Awards

1. A plaque shall be awarded to the first and second place teams. All schools shall be eligible for the sectional team award.

**N  
O  
T  
E**

2. When presenting the individual awards at the sectional level, host schools should present the awards to the weight classes as they are completed. For example, two weight classes have completed their championship bouts. The place winners for those two classes are then seated in the awards area while the next two championship bouts are taking place. At the conclusion of those two championship matches, awards are then presented to the first two championship bouts that were completed. Do not wait until the very end to award all 19 weight classes at one time.
3. Medals will be given to the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> place finisher in each weight class. A bracket board shall also be given to each weight class winner. Unused awards should be returned to the IESA Office as soon as possible. Do not order bracket boards. The IESA Office will order the boards for you and ship them to your school.
