

# TRACK & CROSS COUNTRY UNIFORM GUIDELINES

## UNIFORM

- All competitors will wear a school-issued or school-approved uniform (bottoms, jersey, or bodysuit; one- or two-piece) and shoes.
- Competitors are permitted to wear bodysuits during competition. Previously, shorts were required at meets. The bodysuits must still meet other NFHS uniform restrictions, including logo restrictions. They can be either one or two-piece suits.
- Each team member shall wear the same color and design school-issued or school-approved uniform (shorts, jersey, or body suit; one or two pieces). Same means “similar” or varying shades of the same color. The printing, design, and or lettering on the jersey or bodysuit must be such that each runner can be easily identified so that as a person views the runner’s uniforms together, they appear similar, and the team is easily identified.

## UNDERGARMENTS

- Any visible garment(s) worn underneath the uniform top and/or bottom is considered a foundation garment. Foundation garments are not subject to logo/trademark/reference or color restrictions.
- Undergarments worn under the school-issued or school-approved uniform are not required to be the same in color or style. It is legal for a team to wear more than one undergarment

## HEADWEAR

- Headbands to keep the hair from interfering with a contestant’s vision will also be permitted.
- Religious headwear is not considered a hair device and is permitted without an association approval letter.
- Stocking hats are allowed.

## SHOES

- Shoes are required.
- Spiked shoes or flats are recommended. For track, spiked shoes are recommended to have spikes that do not exceed 1/4 inch in length. For cross-country, the maximum length allowed by NFHS rule is 1 inch.

## JEWELRY & ACCESSORIES

- Jewelry will be permitted
- Contestants with painted bodies or faces, as well as any costumes, will not be permitted to **compete** or participate in awards ceremonies.
- Watches may be worn during regular season and/or state series competition.
- Removable arm sleeves, calf sleeves, and wrist sweatbands are legal to wear in competition.
