### 3. REGULAR SEASON CONTESTS - SEASON SCHEDULE SUBMISSION AND RESULTS

- a. If you are competing at both the 7<sup>th</sup> and 8<sup>th</sup> grade level, start with entering the 7<sup>th</sup> grade schedule. After entering the 7<sup>th</sup> grade schedule, you will have the choice to import the 7<sup>th</sup> grade schedule on the 8<sup>th</sup> grade side.
- b. Enter the season schedule for all varsity regular season contests and results (this includes regular season tournament games).

    - If you do end up playing a non-IESA opponent in a tournament, make sure to include the city and name of the school.
  - ii. Select if the match will be home or away in the drop-down menu.

### Albion Regular Season Comments

Instructions here. 5000-character limit.

We had a young team with three 6th graders starting. At the beginning of the season it took us some time to come together especially on the road. About midway through the season things started to click and we were able to play with more consistency.

5. REGULAR SEASON INFO - You can see all the records and information that was provided by the other teams in the regional. You can also search by all schools for a given grade level to see opponents and results for schools not in your regional.
6. RANK REGIONAL TEAMS - This is completed after the online roster/record deadline. Here, schools will rank the teams in your regional from highest (1) to lowest.
  - a. Seeds will be determined based on the collective ranks from all schools in the regional.
  - b. All the factors below should be considered when ranking schools:
    - i. season record
    - ii. quality of team's competition
    - iii. smaller schools competing against larger schools (1A/2A vs. 3A/4A schools)
    - iv. head-to-head competition
    - v. record against common opponents

- vi. roster of post-season team such as a school who has a 7<sup>th</sup> grader who played on the 8<sup>th</sup> grade team all year but will play on the 7<sup>th</sup> grade team in the state series; or a 7<sup>th</sup> grader who has played only 7<sup>th</sup> grade all year, but will play on the 8<sup>th</sup> grade team in regionals
- c. Rank all teams by clicking on the number next to their name - this will send the team to the right side of the page under RANKED REGIONAL TEAMS.
- d. You will not be able to rank your own school.
- e. You can rank and un-rank until the ranking period officially closes.
