Reinstein QuizBowl's mission is to provide outstanding Scholastic Bowl questions to Illinois teams. We are the question provider for the IESA State Tournament, and we offer questions for regular season matches and practices. In our first year, average IESA Tournament scores increased from 191-107 using another question source to 264-149 using our questions. Order questions by going to [reinsteinquizbowl.com](http://reinsteinquizbowl.com). Contact us at [david@reinsteinquizbowl.com](mailto:david@reinsteinquizbowl.com).
