IESA SPEECH SPRING INFORMATION

THE FOLLOWING INFORMATION SHOULD BE INCLUDED WITHIN THIS PACKET

- . Activity Update
- . Contest Areas
- . Host Rotations
- . Speech Advisory Committee Minutes
- . Workshop brochure

CONTEST AREAS

Thank you for your patience with the contest area assignments as we work to get back to pre-pandemic participation.

A copy of the assignments has been included in this packet.

REMINDERS

PARTICIPATION FEE

A \$25 fee will need to be submitted by June 9 for all schools who will participate in Speech in the Fall.

2025 HOSTS

Please review the host rotation information. A manual and forms will be sent to those listed for 2025.

WORKSHOP

The next workshop will be held in 2026.

CONTACT US:

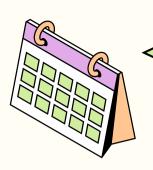

If any of the information is not included, please contact the IESA Office.

Important Speech Dates

SEPT 29

INITIAL ENTRY DEADLINE

Entries must be submitted online and postmarked by this date. Submit entries online through the Member Center using the school passoword.

ОСТ

START INCLUDING YOUR SPEECH PARTICIPANTS IN WEEKLY GRADE CHECK

ост **9**

FINAL ENTRY DEADLINE

Entries postmarked from Sept. 30- Oct. 9 are doubled. Fees postmarked after the Oct.9 deadline will NOT be accepted.

13

PARTICIPANT INFORMATION DUE ONLINE

All performance information is due and must be entered on-line. Information will be made available to the host school for the purposes of scheduling. Use the Speech password that was sent to you from the IESA Officet to log in to the Member Center. You should receive the password no later than one week after you have sent your entry fees.

REMINDER: After Oct. 13 all event changes must include a \$25 fee made payable to your host. I.e. a duet changing to a solo. Performer name changes or drops will be accepted with no charge.

Contest Dates

October **24, 25**, 31, November 1, 7, 8, 14, or 15 (Date selected by host)

> **Note additional contest dates!

New for the 2025 Season

A participation fee must be submitted by June 9 for those schools who will be participating in the Fall contest. The \$25.00 fee will be used to secure a place for your school in a contest area. This does not replace your contest entry fee which will still be submitted in September. Please make sure that your Athletic Director is aware of this requirement.

- New adjudication forms will be used for all events this upcoming contest season. The new forms will be more of a point-based rubric. The Committee hopes that this will be easier for judges and coaches to interpret.
- Speech areas for the 2025 season are based on the participation from the previous year.
- The host rotation schedule is available online. Please check to see when your school is slotted to host. If you are not able to host during your assigned year, please work with your contest area to secure a host in your place.
- As a reminder, individual contestants may not perform the same selection in multiple events or in more than one IESA state contest. Schools are encouraged to limit the number of groups using the same selection.

Individual Limitations

Please make sure that you review the individual limitations prior to preparing students for contest.

Qualified students are eligible to participate in the IESA State Speech Contest in any combination of up to three (3) events. Students may participate in multiple performances in the same scripted event within the maximum. Improvisational events will only be allowed one entry in the same event per performer. **To be eligible to participate in Team Improv, students must also perform a scripted event**.

Students are now allowed to perform in two or three of the same scripted events- i.e. two regular duets, two solo acting, etc.- as long as the scripts are different.

Please keep in mind that this only applies to scripted events and does not apply to non-scripted events. For example, a student could not perform in two Improv Duets.

Team Improv Information

Reminders for Team Improv.

- Groups for Team Improv are comprised of 4 to 6 performers.
- Groups may use a maximum of five chairs for the event.
- Game topics supplied by the IESA to the judges. The judges will select three games to be played from the list. Games and descriptions are available online.
- For each game performed by a team, the judge will select the students who will participate.
- The time limit for the event is a maximum of 12 minutes. Time will be controlled by the judge.
- If you are hosting contest, please make sure you are assigning Team Improv events to judges who are comfortable evaluating the event.
- Games for 2025: Hitchhiker, Freeze/Switch, The Brain, Line Talk, and Movie Critics
- To be eligible for Team Improv, students must also perform a scripted event. This only applies to Team Improv.

Introductions

The judge will begin timing with the first spoken word- including the title, author, and introduction- or stage movement. An introduction is not required; but if it is included by the performers, it will be added to the total performer's names. If an introduction is not given and the judge asks for the performer's names, this will not be included in the total time.

Please keep this in mind when preparing your students for contest.

Props

Contestants are allowed to interact with audience members without this being considered the introduction of a prop. This would include dialogue and/or physical contact.

Please make sure that you review the allowable props for all events. The IESA Board of Directors has imposed a restriction on the use of chairs and tables. Students are not permitted to stand on tables or chairs during performances. Adjust your scripts to comply with this rule.

Parts of the body are not considered props. A student could touch their hair during their performance and not violate the rules.

It is possible that clothes or jewelry could be considered a prop. If the clothes or jewelry are referred to in the presentation or are representative of the piece, they would be considered costume/prop and the performance would be penalized accordingly.

Legal Participant Changes

It is the week of the contest, and you discover that one of your students, who was part of a small group, will be out of town. What do you do?

First, decide whether you want the group to be able to perform legally, be rated, and receive awards, OR if you just want the group to have the opportunity to perform for a judge and audience WITH NO RATING OR AWARDS.

If they are going to perform legally, you must find a legal replacement for the group. This means someone who is not performing the same selection and who will not exceed the three-event maximum. If your group is already meeting the group participant requirements, you could reconfigure the speaking parts and still be eligible for a rating.

Keep in mind that to be eligible for awards, you cannot have someone read the missing part, nor can you insert a student who is not eligible to perform.

If you find yourself in this position, please call the IESA Office to discuss possible options.

Performing Arts Recognition Program

Congratulations to the 2025 award winners! Gretchen Vance, East Peoria (Distinguished Service), Whitney Heflin, Bartonville Oak Grove (Class Act), and Roberta Neumann (Ken Bradbury Award).

Nominations materials will be available in the Fall. Those eligible for the Distinguished Service award must have been coaching for over 8 years and actively involved in IESA Speech. Those eligible for the Class Act Award must have been coaching for 3-8 years. Please take some time this Fall to nominate a coach for these awards!

COMMON SPEECH

Questions

MAY AN AUDIENCE MEMBER HAVE A COPY OF A PERFORMANCE SCRIPT IN SIGHT DURING A PERFORMANCE? Yes; however, if the performer is provided an audible prompt or the judge believes that the performer was provided assistance, the performance may be lowered a rating.

MAY A STUDENT OR A COACH ASK THE JUDGE NOT TO TIME THE INTRODUCTION?

No. Contestants will be timed from the first spoken word or stage movement. Introductions are not required, but if they are presented they will be timed.

MAY A PERFORMER STAND ON A TABLE OR A CHAIR?

No. This is not allowed at any time.

I HAVE A STUDENT WHO WOULD LIKE TO ENTER TEAM IMPROV. IS THIS STUDENT ELIGIBLE FOR THE EVENT? The student must be entered in and perform a scripted event in order to be eligible for Team Improv. To be eligible for Team Improv, the student would have to enter and perform in one of the following events: Solo Acting, Poetry, Original Script, Storytelling, Duet Acting, Original Script Duet, Small Group Acting, or Chorale Reading. NOTE: THIS ONLY APPLIES TO TEAM IMPROV.

MAY ONLY ONE INDIVIDUAL FROM A DUET BE RATED BY A JUDGE?

No. The entire entry must be rated. THIS IS NOT SOMETHING THAT YOUR HOST OR A JUDGE MAY SET ASIDE. The contest host may allow an entry to perform but the performance would not be eligible to receive a rating from the judge.

I HAVE A STUDENT WHO HAS ALREADY PERFORMED IN AN IMPROV DUET. CAN HE SERVE AS A PARTNER IN ANOTHER IMPROV DUET? No. Improvisational events are only allowed one entry in the same event per performer.

2025 IESA SPEECH JUDGE INFORMATION

TO: IESA Speech Coaches

As part of the Performing Art Committee's effort to increase the pool of Speech judges, each Speech coach is receiving this form. If you are interested in serving as a speech judge and are not already on the list of approved judges, please complete the information below and return this form to the IESA Office. If there are individuals you would like to recommend as speech judges, please provide us with that information as well.

With an accurate and up-to-date list, we can better serve our member schools. Thank you for taking the time to review and complete this information.

I would also like to thank you for your dedicated service to your students. The IESA Speech program has made an impact in the lives of countless students and provided them with important life skills. Your participation in this process is important and appreciated.
