

MULTI-EVENT *Athletes*

PLEASE REVIEW THE INFORMATION

Protocol

Athletes with simultaneous events should check in to their field event first if their event has been called. If the Field Event is called while they are in staging, they need to report to the Conflict Referee or a staging/running clerk. Running Clerks and Event Judges are aware of conflicts and will communicate information as needed. A conflict Referee will oversee and coordinate all athlete conflicts and will have final authority.

Meet Officials

The Conflict Referee will have the responsibility to oversee conflicts and have the final authority. Every attempt will be made to follow procedures that are fair to all competitors.

Coach Note

Please keep in mind that your competitor may be asked to attempt a trial out of order, successively, or pass before leaving their field event. PLEASE PREPARE YOUR ATHLETES FOR THIS POSSIBILITY. ADDITIONALLY, IF THERE IS A CHANCE THAT AN ATHLETE'S FIELD AND RUNNING EVENT MAY OVERLAP, PLEASE MAKE SURE THAT YOUR ATHLETE BRINGS BOTH THEIR FIELD AND RUNNING EQUIPMENT WITH THEM WHEN REPORTING.

At the State meet if an athlete has checked out of the high jump or pole vault and is the last jumper/vaulter at a particular height, the event judge will call for the athlete and wait 10 minutes for the athlete to complete their attempt(s). If the athlete has not completed their attempt(s) within the 10 minutes, the bar will be raised to the next height and the athlete will be passed to the new height.
