Welcome, Jonathan Hauter

We are excited to have your wrestlers participating in the IESA 2025 Class A Regional 1-Test tournament this year, and we look forward to getting this tournament underway. We are using Trackwrestling to run our tournament so your wrestler's information will be entered online. Below are some requirements and tips to follow when you enter your team's information.

Please [Sign In](#) to verify your login.

If you are not the intended recipient of this email, please let us know by replying to this email.

Note: Make sure you answer each question on the seeding criteria form correctly. Don't assume the answer to one question carries over to the next.

You will have until 02/26/2025 11:59 p.m. CST to enter each of your wrestlers participating in the tournament. After that you will no longer be able to add or delete your wrestlers.

If you have any questions, or for some reason you can not enter your wrestler information online, please contact us as soon as possible.
