The IESA Golf Advisory Committee makes the following recommendations to the IESA Board of Directors for their January 28, 2022 meeting.

#### **Recommendation #1**

**Current:** By August 1, schools must notify the IESA, in writing, that they would like a refund for any paid golf registrations they will not be using.

**Proposed:** Move the refund deadline to August 15.

**Rationale:** Schools feel that the entry deadline is too early for them to get a confirmation from golfers who would like to participate in the golf state series. Extending the deadline will help schools have a better idea on how many spots they will be using.

**By-Law** 5.026

**Handbook:** 5.020

**Admin Vote:** 2-0 in favor

**Board Action:** **Approved**
