

***NEW Pre-Orders are now open to individuals for ordering**

GOOD NEWS! Pre-Orders are now open to individuals.

The Cubby Hole is happy to announce that we are now opening up the pre-order process for individuals. Our goal in doing this is to make it easier for you, the coach, and making pre-ordering more accessible for the parents of your students. We appreciate all of your help over the years with the pre-ordering process as it was, but we feel like this new process will ultimately mean less work for you and easier access to our products for your students and their parents.

How will it work?

1. Parent / Student will go to The Cubby Hole website www.cubbyholeonline.com and go to the pre-order section. They will select the sport in which they are pre-ordering items for and click the link.
2. There will be a specific buying window prior to the event that will allow people to purchase. The store will close a few days prior to the event so that there is time to fulfill the orders. At that time, no more pre-orders will be accepted. They will have the opportunity to buy at the event or at the online store after the event is over.
3. Once in the store, they will select the items they wish to purchase and check-out of the store. They will be required to pay with a credit / debit card at the time of purchase.
4. Preorders will be shipped directly to the people that order.

How will this affect me? What will be asked of you?

1. For most, helping us get the word out to your students about the new procedure and pointing them to our website is all that you will need to do. We will no longer have a need for the printable PDF or the form that you enter orders into. People will use the store to purchase and those orders will be processed from there.
2. You will no longer be required to distribute any preorders, and will only sell merchandise provided if you choose to do so.

If you have any questions about how the process works or how you will be affected, please contact Paul Boente at paul@cubbyholeonline.com or call 800-235-2071.
