Weather Information

- The IESA Track meet is a rain or shine event. Be prepared for all types of weather.
- If there is lightning, the meet will be stopped and the stadium will be cleared. EastSide Centre is protected by Thorguard, which is a device that detects lightning within a ten-mile radius. If and when this system detects lightning, a loud horn will sound and a light will flash. When this occurs all athletes and coaches are required to take shelter within EastSide Centre's gymnasium. All fans must exit the fenced area and report immediately to their vehicles in the parking lot.
